

**In this newsletter**

- Propak 2009: Highly Successful Exhibition for Ocean Machines
- Ocean Machines New Website
- Ocean Machines Forum, the online forum for packaging and processing equipment

**Propak 2009**

From 20-23 October the Propak 2009 took place at the MTN Expo center in Johannesburg. Ocean Machines received large interest in their product range, especially in the three machines presented at the exhibition:

- Ocean VH200, high speed (up to 100 bags per minute), Full Servo Vertical Form Fill and Seal Machine.
- Ocean WM14, 14 Head Multi Weigher
- Ocean FR110, Complete Stainless Flowwrapping Machine.

Gabriel Walravens, Managing Director of Ocean Machines *“With over 250 visitors to the Ocean Machines stand, 6 confirmed orders and over 140 requests for quotations, the show was more than successful for us. We are proud that our equipment was so well received by the market and are confident that we will continue our strong growth in South Africa. We thank all the visitors to our booth for their time and interest!!”*

**Ocean Machines Website**

Together with the Propak 2009, Ocean Machines introduced the new and improved website (<http://www.oceanmachines.com>).

A clear interface provides easy access to our product portfolio with all relevant information like specifications, photos, movies and online brochures.

**Ocean Machines Forum**

Ocean Machines is proud to launch the Ocean Machines Forum (<http://forum.oceanmachines.com>). On this forum you can view or post common issues which we face with any type of packaging and processing equipment. We invite you to visit the forum to view solutions or post a new question. Our technical team will attempt to provide you with solutions.
