

Ocean WM10

Ocean Machines

Ocean Machines has made a commitment to its customers to change the landscape for packaging equipment.

The packaging market is getting more competitive every day.

We are dedicated to bringing you top quality packaging equipment, manufactured in Asia, with all the support you can expect from your equipment supplier: full warranty, qualified support and local spare parts which can be sourced from our 24 hour online parts warehouse.

Ocean Machines supplies their packaging equipment with high-end components. Leading component suppliers like Mitsubishi, Festo, Omron, Schneider and many more are proud business partners of Ocean Machines.

Please visit www.oceanmachines.com for information on our complete product portfolio.
